

Dear Parents,

Your child will have to pick 3 books to read over the Summer. Please have them select 2 fiction and 1 non fiction.

The children loved talking and learning about animals and insects this year, so the National Geographic Kids books would be a great option for non fiction.

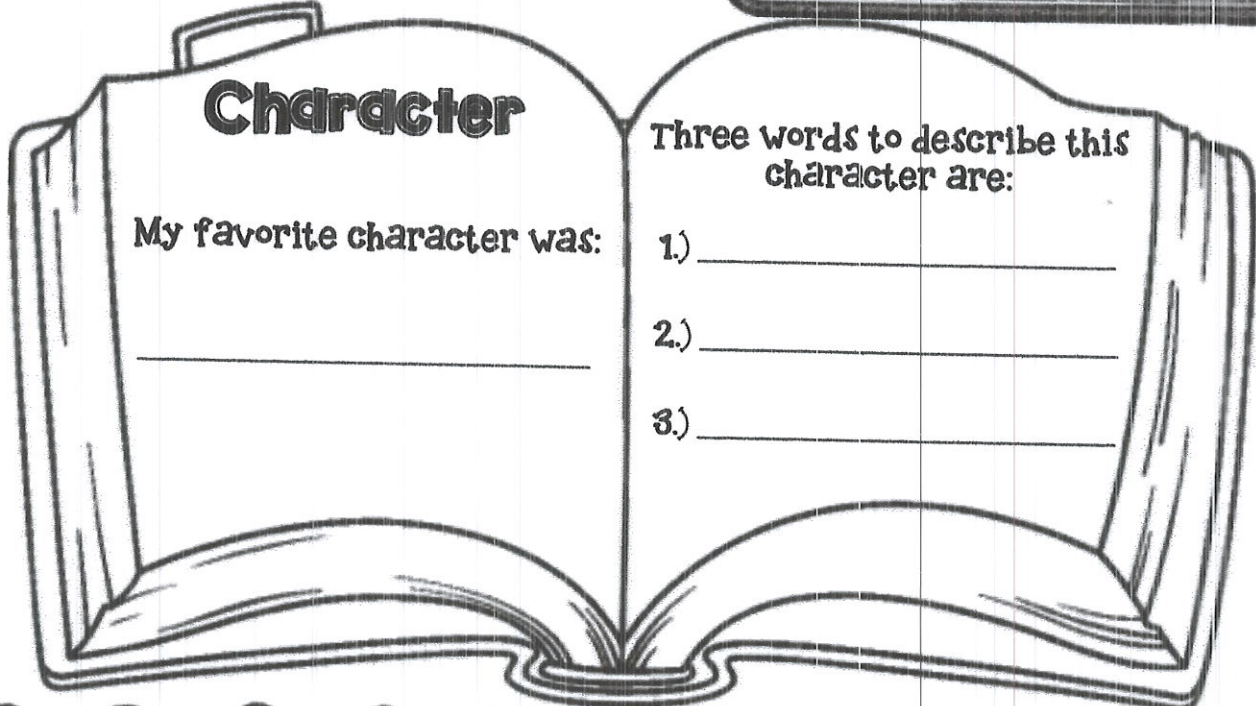

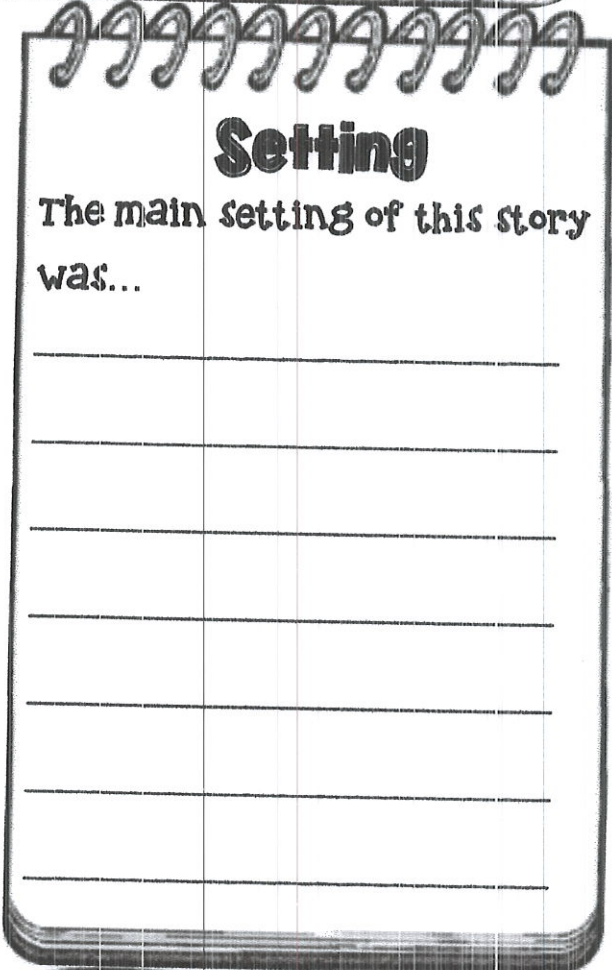

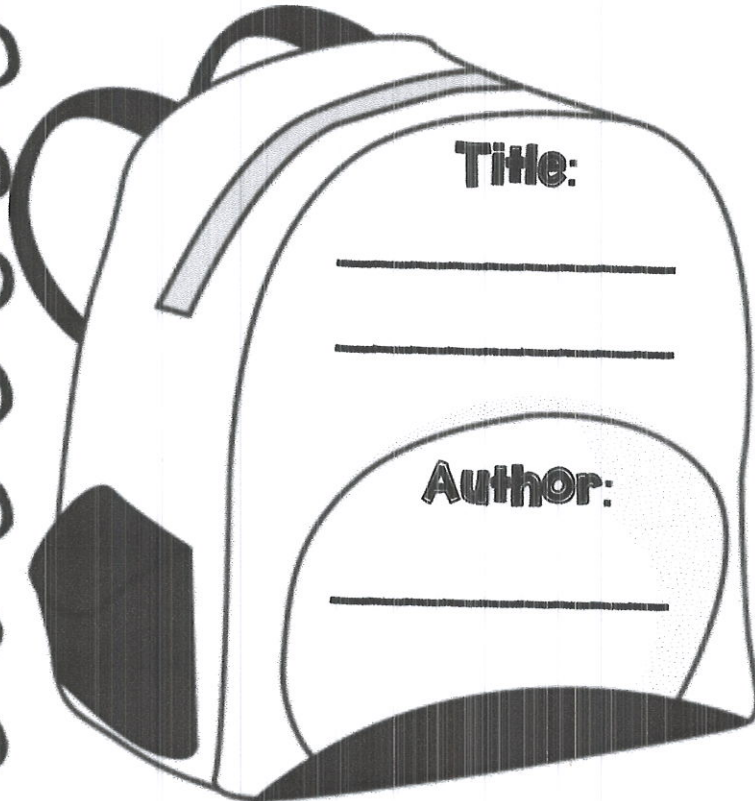

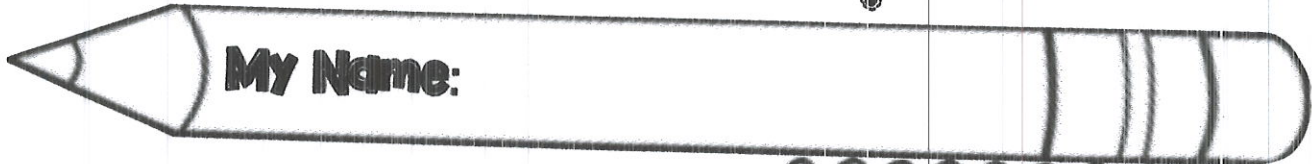

Some good fiction selections would be any from the series listed below:

- Flat Stanley
- Pete the Cat
- Amelia Bedelia
- Frog and Toad
- Unicorn Diaries

Please have them complete both book reports on any 2 books they read.

Have a great summer!
Ms. Kearney

My Book Report

My favorite part of the story was when...
